UNIVERSITY OF VICTORIA LEGEND

More information about the University of Victoria official transcript can be found on the Transcript Legend tab at www.uvic.ca/transcripts.

Effective 2014 Summer Session, the University of Victoria (UVic) uses the grading systems shown. The grading scale for the evaluation of course achievement at UVic is a percentage scale that translates to a 9 point GPA/letter grade system. Comparative grading is displayed when appropriate.

The comparative grading column refers to the class mean (average) and the number of grades in the size (calculation). Comparative grading may display on transcripts for undergraduate and graduate level courses except for those with the abbreviation LAW. Class mean (average) includes only percentage grades; the class size is the number of percentage grades used in the calculation. If the class size is six or greater, the average (mean) and size is displayed. N/A is displayed if comparative grading is not available. From **2012 Summer Session**, UVic used the grading systems shown but the student's percentage and comparative grading was not displayed.

Since 1976 Winter Session the following abbreviations appear on transcripts:

AEG	Aegrotat	M/X	Mutually Exclusive course
CHALL	Course Challenge	WNF	Withdrawn No Fault
DUP	Duplicate course	WE	Withdrawal under
FNC	For No Credit in the faculty		Extenuating circumstances (effective 2013 Summer Session)

SESSION: The Winter Session is divided into two terms: the first, September to December; the second, January to April. The period May through August is the Summer Session.

GRADE POINT AVERAGE (Undergraduate and Law only): The grade point average (GPA) is based upon all courses with a unit value except those courses bearing the grade COM, F/X and N/X and courses taken on exchange. The 9 point GPA system is the sole basis for the calculation of grade point averages and academic standing.

SESSIONAL STANDING (Undergraduate and Law): Effective 1975 Winter Session, a sessional GPA is shown for all students. Courses in a current session are shown with a final grade, if available, or with the notation "Continuing", "Continuing Full Session - First Half" or "Continuing Full Session - Second Half". Courses that have not yet begun will be denoted with "Registered." Effective 2008 Summer Session, an explanation of students' sessional standing will appear every session where course work has been completed at UVic. Effective Winter Session 2010, the current date of the sessional GPA and end of session standing is displayed.

SESSIONAL STANDING (Graduate programs)
Effective 2008 Summer Session, an explanation of sessional standing will appear where course work has been completed at UVic. Sessional standings are In Good Academic Standing, Review Required, Standing Pending Grades, or Standing Pending Grades - Registration Blocked. Standing definitions can be found at www.uvic.ca/transcripts.

COURSE VALUES AND HOURS: Each course offered for credit has a unit value. A full-year course with three lecture hours per week through Winter Session from September to April normally has a value of 3 units. A half-year course with three lecture hours per week from September to December or from January to April normally has a value of 1.5 units. Non-gradable sections (e.g. labs) are not displayed. A 3-unit course (3 hours of lectures per week throughout the Winter Session) approximates a 6 semester-hour or a 9 quarter-hour course.

UNDERGRADUATE LAW DEGREE: Prior to Nov 2010, the law degree awarded was the Bachelor of Laws (L.L.B.) Effective November 2010, the Law degree name was changed to Juris Doctor (J.D.).
