Dear Zhonghua Su,

Thank you for your interest in working in Canada. After careful review of your work permit application and supporting documentation under the Temporary Foreign Worker Program, I have determined that your application does not meet the requirements of the Immigration and Refugee Protection Act (IRPA) and Immigration and Refugee Protection Regulations (IRPR). I am refusing your application on the following grounds:

- You have not complied with our request for information, per subsection 16(1) of the IRPA. To date, you have failed to comply with our request for biometrics.

You are welcome to reapply if you feel that you can respond to these concerns and can demonstrate that your situation meets the requirements. All new applications must be accompanied by a new processing fee.

Sincerely,
